

**ANN ARBOR CITY CLUB
ANTIQUe APPRAISAL FAIR**

SATURDAY, MARCH 20, 2010 10:00 A.M. – NOON

In conjunction with this year's annual Flea Market, the City Club will hold an Antique Appraisal Fair. *Schmidt's Antiques* of Ypsilanti has offered to give oral appraisals of your antiques and collectibles so start checking your closets, basements, attics, china cabinets, etc. for items you might want to have appraised. The Fair will be held in the Club's Main Dining Room on the same day as our Flea Market, Saturday, March 20th, from 10:00 a.m. to Noon. The fee for each appraisal will be \$8.00 per item. Pictures of large pieces are welcome and will count as an item. Several pictures of each item are preferred. Pictures must be of good quality and show details of the item to be appraised. Partial collections are acceptable if you have a large set of china, etc., and you don't want to bring the whole set. This Fair will be open to the public so be sure to pass this information on to your friends and family.
